

Dear Alumni and Friends,

It is time once again to initiate our annual membership drive, and we hope we can count on you to renew with the Central Virginia Chapter or join as first-time members!

We are excited to get back to business as usual with participating in community engagement events throughout the year and hosting football and men's basketball game watch parties. **We will be offering two locations for the game watch parties this year to help increase participation -- [Kick Back Jack's – West End and Midlothian locations].** We are also hoping to create some new events this year as well as partner with neighboring chapters - Greater Fredericksburg and Tidewater (Chesapeake/Hampton area).

As you are probably aware, the main source of revenue for the CVCWVUAA comes from our membership dues. This revenue allows us to host events, plan trips, give back to the Richmond community and most importantly maintain our endowed scholarship fund. Our endowed scholarship is now fully vested and has more than tripled in value thanks to all of you and your generosity! We are extremely proud to have reached that goal!!

We understand the cost of nearly everything has increased recently and our personal budgets might be a little tighter, so we are keeping our membership dues at the same low rate of \$25/person and \$15 for any additional people. Within the last few years, our membership numbers were the highest they have ever been, and we are hoping to get back there again this year! To do that, we need everyone's help...so please renew and encourage other Mountaineer alums and friends to join as well!

The CVCWVUAA Board works very hard to try and maintain a high level of engagement and service for the membership, but we could use some help. We are looking for a volunteer to serve as Secretary for the chapter. Serving on the Board does not require a significant time commitment. There are monthly Board meetings/conference calls and events throughout the year. We understand this is a volunteer position and although participation at events is greatly appreciated, it is not mandatory. If you are interested, please contact me at 401.265.6739 or jcondaras@caasports.com.

Included in this mailing, you will find the renewal application, a list of upcoming events and activities and a return envelope. Please note the renewal application also provides an electronic payment option (PayPal) if that is something you prefer.

As part of your chapter membership, you will have access to the following:

- ❖ Game watch parties for football and men's basketball games
- ❖ Invite to the annual holiday gathering / annual business meeting
- ❖ Invite to the annual golf outing (date is TBD)
- ❖ Invite to other social events and the opportunity to participate in initiatives to give back to the Richmond community
- ❖ Invite to meet fellow Mountaineers in other nearby chapters

Along with access to the above-mentioned activities or events, members will have lower registration fees where applicable.

We know that not everyone will be interested in every activity or event planned for the chapter, so we are always looking for feedback on how we can better engage the membership. If you have ideas that you would like to share, please feel free to contact me.

We consider the CVCWVUAA to be a family, and we will do our best to keep this Mountaineer family connected and stronger than ever!!

We appreciate your consideration and support of the chapter.

Stay Safe and Go Mountaineers!

Sincerely,

Jennifer Condaras
President, CVCWVUAA
